Dozier's Waterway Guide Buys The Bahamas Cruising Guide

Boaters Can Cruise Maine to the Bahamas Using the Waterway Guide Family of Books

ANNAPOLIS, MD—September 15, 2008—Waterway Guide Publications, publisher of Dozier's **Waterway Guides** and **Waterway Guide Magazine**, today announced the purchase of *The Bahamas Cruising Guide* by Mathew Wilson.

The Bahamas Cruising Guide, previously published by Nomad Publications of White River Junction, VT, is the leading guide to the Bahamas and Turks and Caicos. The guide provides in depth navigation advice and data, information on shore side attractions, and comprehensive yellow page listings of services for cruisers. The Bahamas Cruising Guide has been published since 1998.

“Waterway Guide Publications is one of the largest and most respected names in marine publications, and we're thrilled to have a company of that caliber acquire the guide,” said Alex Kahan, President of Nomad Publications.

“By adding The Bahamas Cruising Guide to our list of titles, we are able to further strengthen our top position in the market with the most complete coverage of any publisher,” said Jack Dozier, Publisher of Waterway Guide Publications. “The encyclopedic amount of information covered in the guide and its design and format have made The Bahamas Cruising Guide the market leader in that area. This is a tremendous opportunity for Waterway Guide.”

The Bahamas Guide will join Waterway Guide's annually updated editions of the Northern, Chesapeake Bay, ICW, Southern and Great Lakes.

With more than one million copies in circulation, Dozier's **Waterway Guide** has been America's most complete and trusted resource for cruising boaters for over 60 years. Each annually updated guide runs approximately 400 to 500 pages and retails for \$39.95. To compliment the Guides, the company publishes a destination-focused lifestyle magazine, *Waterway Guide Magazine* and recently unveiled an expanded, interactive Web site that features up-to-date cruising news and navigation information, helpful cruising resources and a lively discussion forum. In addition, the Doziers own and publish Skipper Bob Publications, a popular series of 13 regional guides.

Published by Jack and Craig Dozier of Deltaville, VA., **Waterway Guide's** production and editorial offices are based in the Historic Eastport section of Annapolis, MD.
