

Waterway Guide is America's most trusted and respected resource for cruising boaters

"If you plan on cruising anywhere along the East Coast, Great Lakes, and/or Bahamas, then don't leave the dock without one - or all - of these; they're the most comprehensive cruising guides I have ever used. The *Waterway Guide* was my best friend, both in good times and bad, during a recent cruise I did along Chesapeake Bay." — **POWER & MOTORYACHT**

Collecting content from the boating universe through crowd-sourcing is just one important channel for how we provide the **most up-to-date and accurate information** for boaters. We also have a **network of on-the-water cruising editors** that explore all of our geographic regions to report back and adapt our content as the environment, businesses and locations change. With a **combination of both public and expert-generated content**, Waterway Guide utilizes our internal team and extensive networks to verify all of the content we receive. We then only publish **the most accurate and relevant content for the most simplified trip-planning and decision-making experience.**
